# Why read at home?

# Introducing...

# Aim of this week:

Each class will be given a book to **read** and **explore**.  
Throughout the week, you will complete reading activities in which you will learn about the characters, settings and storyline of your book.

You will use what you have learned about your book to persuade children in the lower school (if you are in years 3 and 4) or upper school (if you are in years 5 and 6) to **vote** for your classes' book.

On Friday, we will vote on the '**big brilliant book**' (one of lower school and one of upper school).

**Please note: You will not be allowed to vote for your own class book.**

# Outcomes:

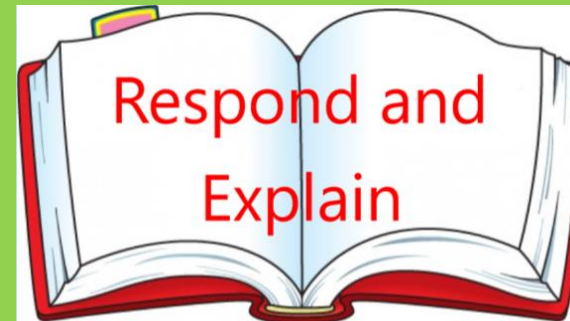

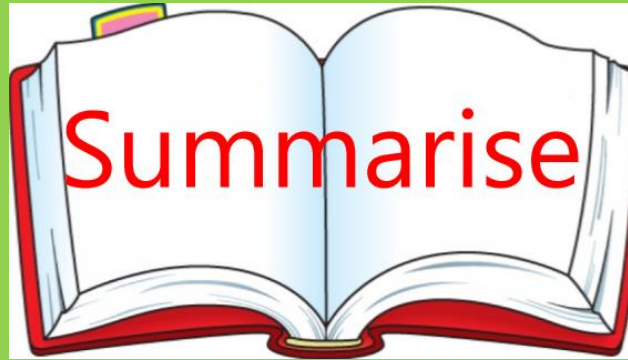

**Each day you will complete an activity linked to a reading skill. These will be stuck into your English book.**

**You must make sure that it is your best piece of work because one will be selected by your class teacher and used to persuade other classes about how fabulous your book is!**

# Reading Skills:

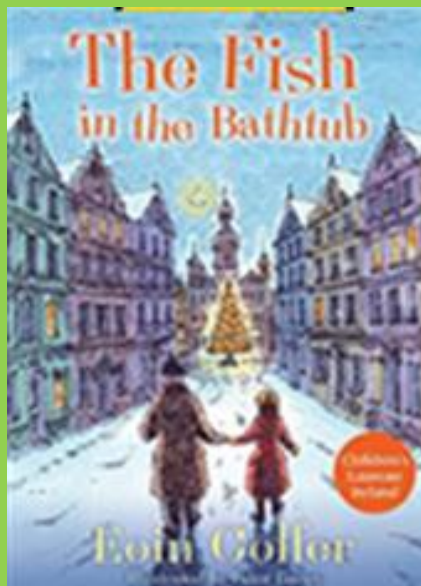

What skills do you think we use to read and comprehend books?
