

Mapping the Landscape of Your School

1. The Physical Environment

Instructions

- Look carefully at the map of your school
- Use the highlighter pens to mark how the areas on the map make you feel.
 - Green = I feel calm and relaxed in this space
 - Yellow = I feel anxious/uncomfortable in this space
 - Red = I would like to avoid this space as it makes me very anxious
- For the areas that you have coloured red, what makes you feel unsafe?

- What might the school do to help you feel safer in your 'red' areas?

Thank you for colouring the map.

2. The Social Environment

During the school day children work with their class and talk to other children and adults. Sometimes this can be fun but sometimes we can feel anxious about being with other people. What things that you do with other people make you happy or upset you?
